

Praying for the situation in Ukraine

One year has passed since the escalation of the conflict in Ukraine. Members of the British Armed Forces are deployed in Eastern Europe while others remain in the UK preparing for deployment or training Ukrainian soldiers. As service personnel continue to experience a mixture of emotions, SASRA Scripture Readers stand ready to listen and to give account of the hope that can be found in Christ. Their work is urgent, vital and requires much prayer.

- 1) Pray the Lord would powerfully intervene in Ukraine and that all would see His hand at work.
- 2) Praise the Lord for those willing to stand up for God in the midst of conflict.
- 3) Give thanks for the unique opportunity that SASRA Scripture Readers have, to take the gospel to military personnel on behalf of the local church.
- 4) With such uncertainty, pray that SASRA Scripture Readers would have opportunities to point new individuals to Christ, who offers security and peace.
- 5) Pray that Christians in the region would fix their eyes on Jesus and find peace in the knowledge that He is seated in the heavenly places.
- 6) Pray that the freedom that Ukrainian believers currently enjoy to share the gospel would be maintained, so that more people in Ukraine might turn to the Lord and find salvation in Christ.
- 7) Give thanks for missionaries who have been distributing Bibles and Christian literature to Ukrainian troops, may the Lord bear fruit through their actions.
- 8) Pray for God's protection over British Army and RAF personnel who are deployed across Eastern Europe and ask that the Lord's name would be made known amongst them during this unsettling time.
- 9) Pray the Lord would bless the families of military personnel in the British Armed Forces called to serve and grant them much peace.
- 10) Pray that government officials would lead with wisdom at this tense time.
- 11) Uphold those serving in the British Army and Royal Air Force who are on standby to deploy in the event of any crisis. As they witness the situation in Ukraine unfolding, pray they would come to Jesus in the face of perplexity and fear.
- 12) Pray for Ukrainian and Russian believers as they seek to be a light in the darkness.
- 13) Praise God for opportunities that SASRA Scripture Readers have had to minister to Ukrainian troops and for professions of faith that they have witnessed.
- 14) Pray there would be more openings for our Readers to witness Christ to British and Ukrainian troops.

About SASRA: Our mission is to share the good news of Jesus with members of HM forces and their families, that they might follow Him. The mission of SASRA needs prayer. We can show people Christ, but the seed that we sow needs much nurturing. For details of our online prayer meetings, please email prayer@sasra.org.uk
